

BRIDGE Training for SHEC

written by NEC Press | October 8, 2024

The newly appointed members of all ten State High Election Committees in South Sudan met in Juba to strengthen their knowledge on the principles of electoral administration with the support of the UN Integrated Electoral Assistance Team (UNMISS and UNDP).

The training utilized BRIDGE (Building Resources in Democracy, Governance and Elections), a comprehensive capacity development curriculum for election management bodies worldwide. This training is one of many capacity building

programmes planned to support South Sudan's electoral process.

This foundational BRIDGE training on Electoral Administration was launched on 1 October and will continue through 17 October, with the participation of the National Elections Commission, all State High Election Committees, and representatives of civil society organizations.
